In addition, any unpaid assessments may become a lien against the member's property within the subdivision. The Board of Directors may vary the amount of the annual assessment by not more than fifteen percent (15%) from the immediately preceding year without membership approval, and by more than fifteen percent (15%) only when so authorized by a majority vote of the Association.

29. Enforcement.

a. Upon the violation of any one or all of the provisions of this Declaration, the Developer, the Association or a lot owner, as the case may be, shall have the right to proceed at law or in equity against the person or persons violating or attempting to violate any such covenant or restrictions, and shall be entitled to both equitable and legal relief, including reasonable attorneys' fees.

Any failure of such enforcement shall not be deemed a waiver of a right to do so or the acquiescence of any violation subsequent or otherwise.

b. The Developer or the Association, as the case may be, shall have the right to levy and collect an assessment (which is due upon receipt of notice) against any lot for any costs and expenses incurred by the Developer or the Association, as the case may be, in the enforcement of the provisions of this Declaration with respect to such lot, including without limitation, the costs of consultants and actual attorneys' fees, whether or not litigation is commenced with respect thereto. The Developer or the Association shall further have the right to levy and collect an assessment against all lots in the Subdivision for reimbursement of costs and attorneys' fees incurred by the Developer or the Association in the enforcement of this Declaration, provided, that (i) said assessment shall be equally allocated to all platted lots in the Subdivision, including those owned by Developer, and (ii) any enforcement costs recovered from the violating lot owner shall be credited or refunded to owners of lots against which the assessments were made.

c. Any assessments not paid when due shall bear interest at a rate established in the Bylaws until paid in full, and such unpaid assessment, together with the interest thereon, shall constitute a continuing lien against the real estate for which the assessment is made. Said lien may be foreclosed in the same manner as real estate mortgages under Wisconsin law, provided that such liens shall be subordinate to any purchase money for construction mortgage. The assessment and interest thereon shall further be the personal obligation of the applicable lot owner.

30. Disturbance of Survey Stakes. No pole, pedestal, buried cable or other object shall be placed so as to disturb any survey stake or to obstruct any vision along any lot lines or street. Any disturbance of a survey stake is a violation of Section 236.32 of the Wisconsin Statutes.

32. Amendment. This Declaration may be modified, clarified, changed and/or amended at any time and in any manner by written declaration setting forth such modification, change, clarification and/or amendment, which has been executed by the owners of at least seventy-five percent (75%) of the lots in the Subdivision, in such form as to allow it to be recorded in the relevant County Register's Office; provided, however, that such modification, change, clarification and/or amendment shall require the written approval of Developer, so long as Developer owns any lot(s) in the Subdivision. Further, so long as Developer owns any property in the Subdivision, Developer, by itself alone, shall be entitled to modify, clarify, change, amend and/or terminate the covenants,

conditions and restrictions.

33. Term These conditions, restrictions and requirements are covenants running with the land, and shall become binding upon the grantors and grantees of the property herein, their respective heirs, executors, administrators, successors, and assigns, for the period of twenty (20) years from and after the date hereof, after which time they shall be automatically extended for successive periods of ten (10) years.

34. Interpretation These declarations shall be construed and interpreted in favor of restricting the use of each lot consistent with the purposes hereof and any ambiguity shall be resolved against any lot owner who installs any structure or engages in any activity not clearly authorized under these declarations.

IN WITNESS WHEREOF, Vantzl Development, LLC has hereunto set its hand on the day and year first above written.
